Painting Steps

- 1** Basecoat with **VGC Wolf Grey**
- 2** Layer with **VGC Wolf Grey** mixed 1:1 with **VGC Ghost Grey**, leaving the basecoat in the recesses showing
- 3** Layer with **VGC Ghost Grey**, leaving the previous layer showing
- 4** Highlight the most prominent areas with **VMC White**
- 5** Glaze over all of the **VGC Ghost Grey** with **VMA White**. This step shifts the tone close to pure white.
